Regulations for Referees 2015

EJU REFEREE RANKING SYSTEM

The new ranking system for referees starts on 1st of January 2015 and finishes on 31st of December 2015. The current ranking list will be published on the EJU homepage.

The ranking will be made along all IJF events, European Judo Championships, European Judo Open and selected European Judo Cups (in 2015: *EJC London/GBR, EJC Celje-Podcetrtek/SLO, EJC Sindelfingen/GER, EJC Bratislava/SVK, EJC Belgrade/SRB, EJC Helsingborg/SWE, Cadet EJC Teplice/CZE, Cadet EJC Berlin/GER, Cadet EJC Cluj-Napoca/ROU, Junior EJC La Coruna/ESP, Junior EJC Leibnitz/AUT, Junior EJC Paks/HUN and Junior EJC Wroclaw/POL*):

At the above mentioned tournaments referees will receive points from 1 to 10 in steps of half points (4; 4,5; 5; 5,5...). To generate the ranking of referees the points are summed up and divided by the number of attended tournaments (ranking by average points per tournament). The referee with highest average points per tournament is ranked as No 1, the referee with the second highest average points per tournament as No 2, and so forth. If several referees have the same score (equality), the referee with the higher number of events will have the higher ranking.

Based on the ranking the following three groups are defined:

- **First group** (No 1 to No 40): Referees of this group can referee at all European events
- **Second group** (No 41 to No 150): Referees of this group can referee at European Judo Open and European Judo Cups
- **Third group** (No 151 and higher): Referees of this group can only referee at European Judo Cups.

Attention: For the first 3 month 2015 the criteria for participation at European Judo Open will be the same like in 2014 (classification list 2014 A and B).

OFFICIATING REFEREES AT IJF EVENTS

For all IJF-events, **World Championships**, **IJF Masters**, **Grand Slam** and **Grand Prix** the referees will be nominated by the INTERNATIONAL JUDO FEDERATION (IJF).

Referees for World Championship Masters (Veterans) should be nominated by the National Federations (NF).

OFFICIATING REFEREES AT EUROPEAN JUDO CHAMPIONSHIPS

The referees for all European Judo Championships (Individual, Team, Clubs) will be nominated by the EJU Refereeing Commission, except the one for Veterans. Based on the referee ranking, the EJU Refereeing Commission will choose the referees by name, who can take part at the different European Judo Championships. From one federation only a maximum of 2 referees can be nominated for a particular event. The EJU Refereeing Commission will nominate at least 5 referees per mat.

The NFs are in charge of all cost for nominated referees.

To be nominated for **Senior European Judo Championships** the referee must be in the first group (1-40) of ranking list and must have participated in at least 2 tournaments with allocation of ranking points (EJU and IJF).
